

**Amendment and Response**

Applicant: Jung Pill Kim

Serial No.: 10/808,190

Filed: March 24, 2004

Docket No.: I436.112.101/IO040308PUS

Title: TEMPERATURE SENSOR SCHEME

---

**REMARKS**

The following remarks are made in response to the Office Action mailed July 27, 2005. Claim 18 has been cancelled. Claims 6-16 and 22-24 have been allowed. Claims 1-5 and 19-21 were rejected. Claims 17 and 18 have been objected to. With this Response, claims 1, 17, and 19 have been amended. Claims 1-17 and 19-24 remain pending in the application and are presented for reconsideration and allowance.

**Claim Objections**

The Examiner objected to claims 1 and 17 because of informalities to the claims.

Applicant has amended claims 1 and 17 to correct the informalities and believe claims 1 and 17 are now in condition for allowance.

**Claim Rejections under 35 U.S.C. § 102**

The Examiner rejected claims 17 and 18 under 35 U.S.C. § 102(b) as being anticipated by the Alidio et al. U.S. Patent No. 5,351,013.

Applicant has now amended claim 17 into a form consistent with allowed claims 1, 6, and 22 such that it is also now in form for allowance.

Therefore, Applicant respectfully requests reconsideration and withdrawal of the 35 U.S.C. § 102(b) rejection to claim 17, and request allowance of this claim.

**Allowable Subject Matter**

The Examiner allowed claims 6-16 and 22-24.

The Examiner objected to claims 1-5 because of informalities discussed above. Since these informalities are now corrected, claims 1-5 are now also allowable.

The Examiner objected to claims 19-21 for being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all limitations of the base claim and any intervening claims. Since claim 17 is now believed to be in allowable form, these claims dependent on it are also in allowable form.

**CONCLUSION**

In view of the above, Applicant respectfully submits that pending claims 1-17 and 19-24 are in form for allowance and are not taught or suggested by the cited references. Therefore, reconsideration and withdrawal of the rejections and allowance of claims 1-17 and 19-24 is respectfully requested.

No fees are required under 37 C.F.R. 1.16(b)(c). However, if such fees are required, the Patent Office is hereby authorized to charge Deposit Account No. 50-0471.

The Examiner is invited to contact the Applicant's representative at the below-listed telephone numbers to facilitate prosecution of this application.
